About myself

Name: Nicolaus Christoffer Möller Schroh

Born: 26 of april 1990 in Caracas, Venezuela

In short: I have a bachelor degree in computer science from Hamburg Universität. At the moment, I'm in search of a part-time job (be it in english, german or spanish) in the software development industry. I'd like to keep developing my software skills working on interesting, challenging problems.

Education

1996–2008 **Hochschulreifepprüfung**, "*Unidad Educativa Colegio Humboldt*", Caracas, Venezuela, *Grade: 2.6.*
Auslands Abitur

2014–2020 **Bachelor in computer science**, ("*Informatik*")
Universität Hamburg.

Experience

Vocational

2020 **Junior Software-Entwickler**, *Havi Solutions GmbH*, Hamburg, April-September.

Miscellaneous

2016-2020 **Studentenjobs.**

- Paradies Eis, Hamburg, September 2017, Aushilfe.
- C&A, Hamburg, December 2017, Aushilfe.
- Peek&Cloppenburg, Hamburg, December 2018, Aushilfe.
- Havi Solutions GmbH, Hamburg, December 2018-2020, Werkstudent.
- Tutor in Universität Hamburg
 - Subject: "Softwareentwicklung 3: Funktionale Programmierung", Wintersemester (October 2016 - March 2017)
 - Subject: "Softwareentwicklung 2", Sommersemester (April-September 2017)
 - Subject: "Softwareentwicklung 3: Funktionale Programmierung", Wintersemester (October 2017 - March 2018)

Languages

Spanish	"A lo venezolano."	<i>First language</i>
German	Fluent	<i>Second language</i>
English	Fluent	<i>Second second lanugage. (;</i>

Programming languages

Clojure	Intermediate level	Racket	Intermediate level
Elisp	Intermediate level	Common-lisp	Beginner level
Python	Intermediate level	Java	Intermediate level
C/C++	Beginner level	Prolog	Beginner level
SQL	Intermediate level. Mostly sqlite and postgres.		
HTML/CSS	Intermediate level. A bit of frontend with clojurescript.		
JS	Begginer level, unless I can use Clojurescript. Know a bit of React and ECMAScript 6.		

Interests

Programming	I'm fascinated by functional programming languages, and Lisp in particular. Its expressiveness and REPL integrated development makes it a delight to program.
Sports	I hit the gym once in a while and play football. I am most of the time open for any outside activity.
Movies	I love cinema and film (film as art, that is).
Societal	I'm interested in a lot of stuff: philosophy, economics, sociology and politics. Currently, I'm a recovering media junkie, but that is probably not relevant. (;
